# How to Arrange the Organization (For Learning Administrator)

---

04

As the Admin of Organization

# Manage Your Organization

## How to Invite Your Team and Review Their Application

### 1. Generate Learning Group Invitation Link

Visit [https://edu.alibabacloud.com/partner\\_portal/my/manage](https://edu.alibabacloud.com/partner_portal/my/manage), click “Copy Invitation Link” to generate the learning group invitation link.

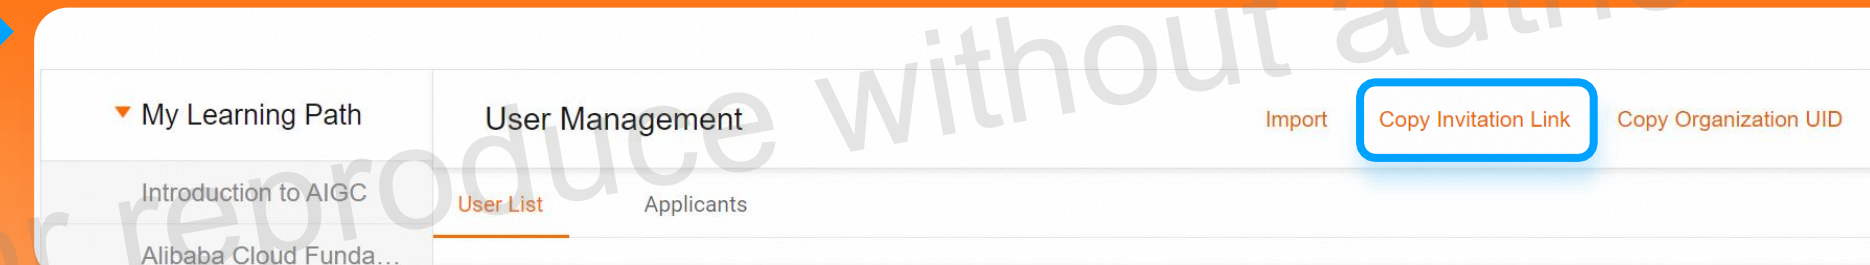

### 2. Send the invitation link to the members in your organization.

This link allows members in your organization to join your Learning Group. **Do not share this link with members outside of your organization.**

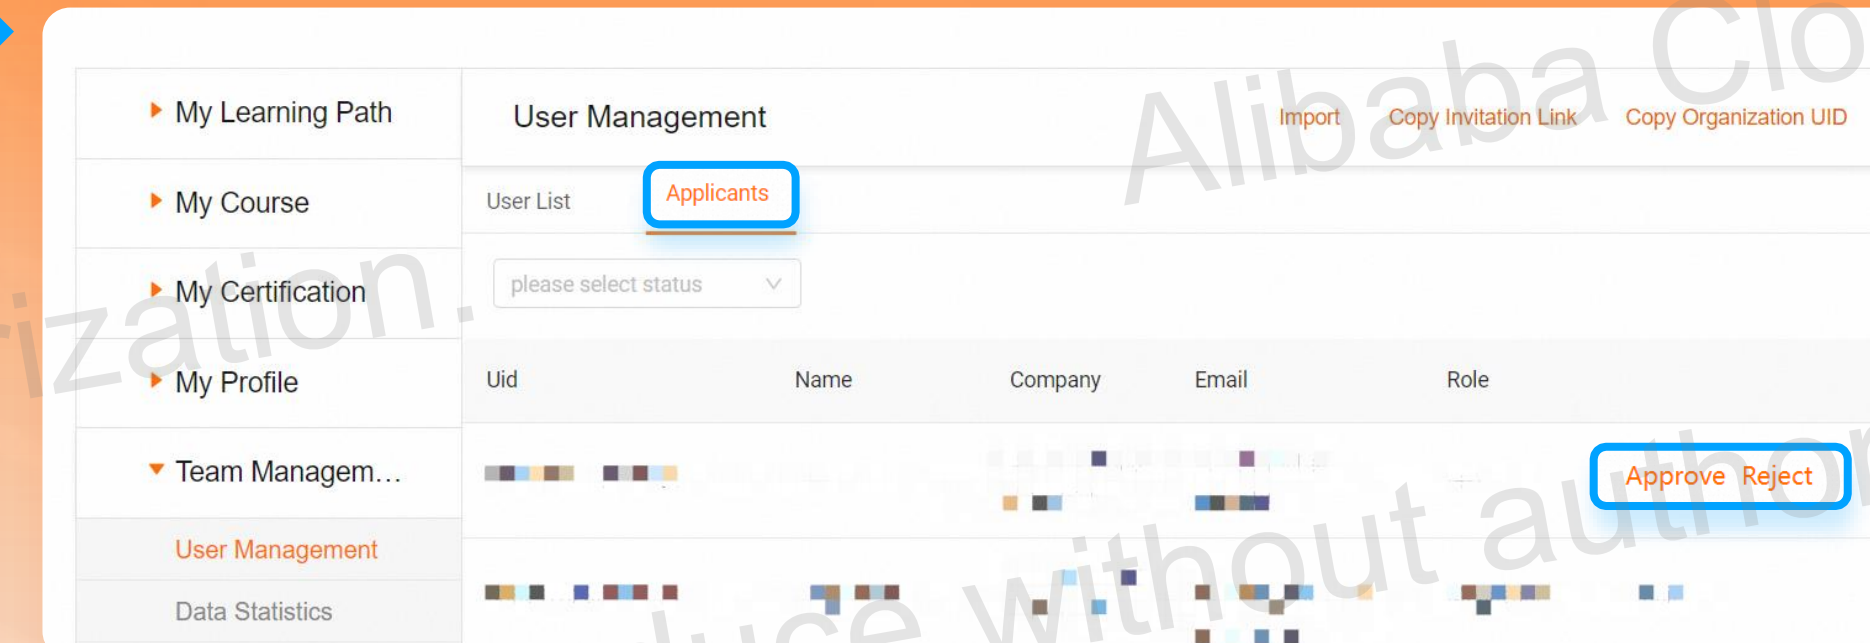

### 3. Manage your Learning Group

As the administrator of your Learning Group, you are responsible for managing the applications to join your Learning Group. If members leave your organization, you can remove them from your Learning Group.
